Good morning [redacted] I will be mailing you out DVDs today. As you will see, not all DVDs are included in the package. Those courses that are deemed Law Enforcement sensitive will be withheld pursuant to Government Code Section 6255(a). I would like to point out two POST websites for your use and reference.

AB 392: Use of Force Standards https://post.ca.gov/Use-of-Force-Standards

POST has launched a new website this week which will allow the public to view/download POST videos that do not fall under GC 6255(a). Courses will be added to this site as staff is able perform the necessary programming.

Here is the link: https://post.ca.gov/POST-Multimedia-Products

This will complete your CPRA request.

Sincerely,
